

**II. REMARKS**

Enclosed is a terminal disclaimer and a Power of Attorney. Thus, the terminal disclaimer should now be in proper form and the obvious-type double patenting rejection of claims 20, 28, 32 and 33 should be withdrawn

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art record, and are in proper form for allowance. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issues remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

A check of \$130.00 was enclosed with the previous response. Thus, no fee should again be due. The Commissioner is hereby authorized to charge the deposit account for any fees associated with this communication or credit any over payment to Deposit Account No. 50-0510.

Respectfully submitted,
